GENERAL DENTISTRY

Smile Design Dental Practice offers a full range of general dental and hygiene treatments to a very high standard.

Treatment options are presented after a thorough examination appointment with Dr Komal Suri.

Reasons for treatment recommendations and financial options are fully explained and discussed so that an informed decision can be made. Treatment is not be carried out without patient consent.

We are now pleased to offer two New Hygiene Clinics at Smile Design Dental Practice

• FRESH BREATH CLINIC

Designed for people who have concerns or are seeking advice on good oral health and hygiene:

Introductory Price **£45 for 30 minute appointment**

• HYGIENE POLISH

Designed for those who would just like tartar and staining removed from their teeth:

Introductory Price **£45 for 30 minute appointment**

Please see practice website for more information
